Alright

Established posur

When I'm damaged

Your time is right

It's up to you

It's up to all

Use a silent second

Passion

Call the others

Man approach to help each other

Crystal trying

Daylight's just another

Natural sighn to help each other

Before you're dying

This is why you are

Why you'll be'n'anyway

My brother

Congratulation

You realize what don't want to e

The only consistant thing in life

Is change

But what does it mean

Change

Ever tried to fix something?

Passion...

As long as I believe

What you decive we will not give in
