Rainforest jungles of sawarak  
Malaysia  
Tribal people  
Fighting to save their hundred  
Million year old forest  
A culture survived for more than  
Fourty thousand years  
One of last reminding  
Hunter gathered society  
Now they're being forced  
From their homes  
By logging companies  
And thrown to jail  
For trying to protect  
Their homelands  
There's not a single  
Documented case of pregnant  
Rainforest logging  
Obscuring it - it's degrading  
Society is waiting  
Bullshit  
Bullshit  
Realize  
I keep talking wake up twice  
It filters through to us  
Now they're being forced  
The belief  
The third world is poor  
It lacks if the benefit  
Of our modern industry  
It's still a common view  
Degeneration of all nation  
Bullshit  
Bullshit  
Realize  
I keep thinking wake up twice  
It filters through to us  
Now they're being forced...  
How long can we continue  
To allow this destruction  
Echoes from a foreign kind  
Lies -- Cries --

Such is life  
It's just degeneration what I see  
Swallowing each human being  
Nearly you and me  
How could we be so blind  
We're all of the same kind  
We're all just victims of ourselves  
Greeting from a world  
Supposed to death  
Ya wakama zulu bandee  
Fearless I'm smiling  
I don't care for dying  
Don't care for misery  
Fucked up reality  
Fucked up me and you  
Me fucking asshole  
Me fuckin' me  
What we leave is  
Corpse
