"The Abyss Attraction"

Visit "[The Abyss Attraction](#)" on MotoLyrics.com

How can you explain this anxiety inside your veins
and warm this unbearable snatch of fury
a life is betrayed between your hands
dripping and tearing

you feel the abyss attraction
you feel the abyss attraction

how can you get better when you feel pleasure
inflicting pain
and no one is there to make you see you are wrong
loose your body in rooms of misery
all your senses are useless

you feel the abyss attraction
you feel the abyss attraction
