"Almost Paradise"

I thought that dreams belonged to other men
'Cuz each time I got close
They'd fall apart again

I feared my heart would beat in secrecy
I faced the nights alone
Oh, how could I have known
That all my life I only needed you

*Almost paradise
We're knocking on heaven's door
Almost paradise
How could we ask for more
I swear that I can see forever in your eyes
Paradise

It seems like perfect love's so hard to find
I'd almost given up
You must have read my mind

And all these dreams I saved for a rainy day
They're finally comin'true
I'll share them all with you
Cause now we hold the future in our hands

(Repeat *)

And in your arms salvation's not so far away
It's getting closer, closer every day

(Repeat *)
