Row boat sailing through the waves,
A million voices all them say:
"We shouldn't be here,
But I love to be here"

Sky is full of birds of prey,
A million voices all them say:
"We shouldn't be here,
But I love to be here"

(Deschide uÈ™a!)

Row boat sailing through the waves
A million voices all them say:
"We shouldn't be here,
But I love to be here

And I know, wooh-oh-oh-oh-oh,
That I love to be here, oh-oh
And I know, wooh-oh-oh-oh-oh,
That I love to be here, oh-oh"

(Of, nu mai pot. ToatÄf lumea Ä@mi spune säf renunÈ», dar mie Ä@mi place.)

Up in the air we sing and feel so free, yeah,
Falling in the waves the loneliness of the sea, yeah,
Up in the air we sing and feel so free, yeah,
Falling in the waves the loneliness of the sea, yeah,
Up in the air we sing and feel so free, yeah,
Falling in the waves the loneliness of the sea, yeah,

Up in the air (x3)
Falling in the waves (x3)
