"In other words I'm heartless dude" --> Scarface  
"In other words I'm heartless"  
(repeat 2X)

[Stretch]

Now let me start this, from out the darkness, and rip  
apart this

subject, nuttin but a tale 'bout the Heartless  
And you'll figure that he's thinkin, "Who cares?"  
But this nigga never knew the meaning of tears  
Now this Little Piggy went to school and shit  
And Momma Miss Piggy went to bed ("Good night!")  
Now Poppa Piggy always got drunk as hell and left  
the door unlocked, and now they dead, now check it  
(Damn!)

Runnin home from school, frontin from his good  
grades

Scorin mad high for kid his age

But when he got around the way he saw a lot of  
commotion

And usually the neighborhood, smooth as lotion

"Oh no way! They're in front of my crib

I wonder what my pops done went and did"

He felt confused - yeah is this an illusion, or is it real?

Now find out from his heart the whole crap he feel

He was losin, had to hold him up on his feet

Then he saw two stretchers with blood on the sheets

Damn, it had to take him just like this

to spark this, now he feels no emotions

The kid is HEARTLESS

"In other words I'm heartless dude" --> Scarface

"In other words I'm heartless"

(repeat 4X with cutting and scratching)

[Majesty]

Fear is dead, messed up the child's head

Hate created a monster, a ruthless monster

It's a shame, who's to blame, look what they done, UHH

Now look at this kid, that's son to no one

How will he turn out, you wanna know?

Heartless, ruthless, a murder pro, UHH  
[Stretch] Mind shifted, lifted another one  
Damn another young gun, smoked when a nigga's  
done

[Majesty]

Moved across town, livin with his Aunt  
A little shitty shack on the top of a resteraunt  
Actin a fool, made his own rules  
[Stretch] Down the block there's a spot where his  
cousin pump rocks

[Majesty]

He put him on, things went wrong, you know the song  
He got strong, word is bond, UHH  
Get the rugged money love it started buggin  
Fresh at the hotel, with his trigger huggin  
People scared to death of him the nigga brewin in ya  
[Stretch] Started gettin rich doin hits in Virginia

[Majesty]

In every precinct, there's a wantner poster  
Now he's known as a damn BODY ROASTER  
The nigga's heartless

"In other words I'm heartless dude" --> Scarface

"In other words I'm heartless"

(repeat 4X with cutting and scratching)

[Stretch] Heartless, meanin of the wicked, with a one  
way ticket

If you stick it then your mouth be gonna lick it

[Majesty]

For no reason at all he'll put to you rest, UH  
So you better wear your vest for the ones they call  
HEARTLESS  
Or better yet stay home, cause they ain't  
aimin at your chest boy, they aimin at your DOME  
Trouble's on they mind, so they don't think  
Drop a body flee the scene, quicker than a blink  
I guess it's strain on they brain they feelin no remorse  
You see what happens to your life when you're born in  
New York?

[Stretch] You're misused and bruised, within illusion

[Majesty]

Don't wanna blame yourself but you choosed it  
Pressure on the mind overloads then you snap black  
Then you start buggin (UH) trippin (UH)  
Flippin like a flapjack  
When the ? raises, wanna trade places

Read the papers, turn the pages  
HEARTLESS

"In other words I'm heartless dude" --> Scarface  
"In other words I'm heartless"  
(repeat with cutting and scratching approx. 8X)
