[Lyrics: Xena]

The raped son of god I was
The bastard son, named as j. christ
Remembered as a pitiful lord
Who enslaved all people in the name of god

In the name of god
I am your saviour
Follower of
Christian bastard behaviour

The raped son of god I was
Sent out to spread true lies
Born by the sterile mother
The inbreed and the 12 brothers

In the name of god
I am your saviour
Follower of
Christian bastard behaviour

hallelujah!

In the name of god
I am your saviour
Follower of
Christian bastard behaviour
