[L: G]

Ignorant thieves stole the spark inside
Fire put out for good, can it be started again?
Restrained needs to perform dam up by wicked fools
No way to express inner self, repressed with no cure

Repression!
External blockage!
Spiritual suppression!
Damned by oppression!

Unhealed but able to inhale, rejected with clear signs!
Breathe the toxic waste from physical damnation
Restrained needs to perform dam up by wicked fools
No way to express inner self, repressed with no cure

Repression!
External blockage!
Spiritual suppression!
Doomed by damnation!

Doomed by damnation!
