An old man is mugged on a shiny day, people are passing by

They all just watch away

**MotoLyrics** 

Most of them feel sick, perverts are getting some kicks Not a soul is giving a hand, none of the feel involved Too afraid to go in between, too busy to stop the man bleed

Ignoring humanity, saving it for some future activity Helping means responsibility, It lives from pain When you are afraid hero is tied deep inside

Too afraid to go in between, too busy to stop the man bleed

Ignoring humanity, saving it for some future activity Saving it for some future activity

In the deepest caves of your mind you feel like an abused child

Hiding, hiding insanely getting more and more afraid An old man is mugged on a shiny day, people are passing by

They all just watch away

Most of them feel sick, perverts are getting some kicks Not a soul is giving a hand, none of the feel involved Too afraid to go in between, too busy to stop the man bleed

Ignoring humanity, saving it for some future activity Too afraid to go in between, too busy to stop the man bleed

Ignoring humanity, saving it for some future activity Saving it for some future activity - Saving it for some future activity
