[M: Q, ROTTEN SOUND]

[L: G]

So many years of education, millions of hours are  
spent to learn

A clear vision is reflected, the perfect future, the  
ignorant bliss

We are born to sell  
The best time to create  
Will to live is sucked efficiently  
By the 8 hours of lobotomy

Slaves all we are, free will of ours will fall  
Become as an insignificant part, a tiny wheel of the  
society

We are born to sell the best time to create  
Will to live is sucked efficiently by the 8 hours of  
lobotomy

By the 8 hours of lobotomy

Five days a week we sell our time  
Lobotomy by free will to gain a decent life  
We are born to sell time to create  
Will to live is lost by the cost of sanity

So many years of education  
Millions of hours are spent to learn  
A clear vision is reflected  
The perfect future, the ignorant bliss

We are born to sell  
The best time to create  
Will to live is sucked efficiently  
By the 8 hours of lobotomy
