[M: Q, ROTTEN SOUND]

[L: G]

Orders from authority taken with no doubt  
Over everything agreed  
Deaf, blind, mute and cold  
You're following the mind which is not your own

No plans for tomorrow  
When today is just okay  
Blinded by the power,  
You can't notice real from fake

Awesome powers from above, huge force driven by the  
dumb  
How to have a life according these standards around  
Seeing everything without even looking, hearing it all,  
but still  
being deaf  
Speaking with a closed mouth, no sympathy towards  
anything

Obey, obey, you must obey  
Who wants to play this game?  
Awake, awake, please get awake  
From the dead

Authority accepted with no doubt  
Over everything agreed  
Deaf, blind, mute and cold  
You're following the mind which is not your own

Obey, obey, you must obey  
Who wants to play this game?  
Awake, awake, please get awake  
From the dead

Please hold on tight  
I'll let you in a little secret:  
You'll never achieve a thing  
You don't have even a little clue

The unbound powers beyond your dreams  
Are to be unleashed  
Let your simple mind fly free,  
Let it breathe even for a small while!

Awesome powers from above, huge force driven by the  
dumb  
How to have a live according these standards around  
Seeing everything without even looking, hearing it all,  
but still  
being deaf  
Speaking with a closed mouth, no sympathy towards  
anything

Obey, obey, you must obey  
Who wants to play this game?  
Awake, awake, please get awake  
From the dead
