[L: G]

You're entitled to kill for your government
You need to gain glory by punishing innocent
No understanding of the deeds
No mercy in the acts of violence

Murder works
For a while

Searching for right victim named as an enemy
The enemy has to do the same
Both of you have the same assignment:
Destroy the faceless evil with no name

Murder works
For a while,
But it leaves
Stains behind

Declaration of
Mass madness
Believe the reasons
Prepare to kill
Murder
In the name of the gods
