[Music: Mika, Rotten Sound]

[Lyrics: Keijo]

Uh!

Can I be the most beautyfull?

Is there any room...

For a perfect person?

The loss of perfection!

Can we find the way...

To the completion?

The completion to fill up...

And enjoy!

The loss

Of perfection!

Go!

[lead: Juha]

Yeah!

I am the biggest one!

The best fucking...

Human being around!

The loss of perfection!

The loss of perfection!
