You're spinnin' round and round and round in my head (head), Did you really mean the words that you said (said), This is it, I gotta know, Should I stay or should I go, Show me the truth, Is it gonna be me and you, Is it gonna be me and you, Is it gonna be me and you, Is it gonna be me and you  
[Cyrus]I know you gone be mad, Feelings that you thought you had, Was for another guy, Well, I'm that other guy, I'm just a shy kid, Camouflaged before your eyes, And I knew my lyrics were the key to see the other side, I should have told you, But I never had the courage, And I thought you wouldn't really understand

[Roxie]Ohhhhh

[Cyrus]And now I'm up here just to let my feelings surface, Apologizin' for disguisin' who I am  
[Roxie]Tell me, am I who you thought you were, Or who I wanted you to be, Did you do it all for him, Or were you only playing me

[Cyrus]I did it for you! But I couldn't see it through, {but I couldn't see it through, but I couldn't see it through}

[Roxie {chorus}]You're spinnin' round and round and round in my head (head), Did you really mean the words that you said (said), This is it, I gotta know, Should I stay or should I go, Show me the truth, Is it gonna be me and you, Is it gonna be me and you, Is it gonna be me and you, Is it gonna be me and you

[Cyrus]You're all I ever wanted, But I got caught in the shadow in the background, But I'm back now, And Kris was all this and that, And my look didn't really fit the rap, it didn't match. He had the style and I had the swag, So I locked up my feelings in the words he said, Give me your hand and I'll take off my mask, Give me a chance, that's all I ask

[Roxie]What you expectin' me to do? First you were him, And now you're you

[Cyrus]Now it's just me! And you got me on my knees, {And you got me on my knees, and you got me on my knees}

[Roxie {chorus}]You're spinnin' round and round and round in my head (head), Did you really mean the words that you said (said), This is it, I gotta know, Should I stay or should I go, Show me the truth, Is it gonna be me and you, Is it gonna be me and you, Is it gonna be me and you, Is it gonna be me and you

[Roxie]Why do I feel so deceived? Guess I believe what I wanted to believe, It's perfect in my dreams, But nothing's really white, It seems {no, no}

[Roxie {chorus}]You're spinnin' round and round and round in my head (head), Did you really mean the words that you said (said), This is it, I gotta know, Should I stay or should I go, Show me the truth, Is it gonna be me and you, Is it gonna be me and you, Is it gonna be me and you, Is it gonna be me and you
