Fallen in decay  
Inflowing shades  
The oppressed revolt  
Removed in dark spheres  
Once exiled  
Einthamoooo  
Blessed...  
In abyssia  
Iria, Uthopia, come here  
Believe in us and be like us  
Taste the lusts and feed revenge  
For those who dare exile you  
Release all wrath, feel it  
You're in the sixth communion  
Never forget what happened  
As marked you arrived  
Since now  
I name you under our cult  
Enter the tunnel  
Emit no emotion  
Engaged with our hierarchy  
Keep the mystic way to go  
All father's treasure  
The upcoming mighty contract  
The sight of Therion  
Incarnation  
Illumination of darkness  
Intuition  
Angels who embraced  
Attached to underworld  
Proselytized in the land  
They refuge  
Exiled now survived  
Exiled be opposed  
Immigration in the Abyss  
Immense to the heart
