Broken faces behind the idol  
Self sacrifice believers once (betrayed)  
Those who disregarded (authorities)  
In deadly position they offend  
The junless domain  
For ages and ages  
Where his sleeping majesty  
Under the black sand  
Skeletoned shapes look lifeless  
Thrones disappear in dusty (old centuries)  
Where glory hide the myth  
Nothing to see those who died  
The junless domain  
For ages and ages  
Where his sleeping majesty  
Under the black sand  
Invaders who follow the legends  
Spread mouth to mouth  
Approach the phenomically quiet graveyard  
Well hidden lonny sentinels  
Around his sandy dwelling  
Out of date carnivorous suvivorous  
They offend his sleeping majesty  
The events can be said by human words  
So strength so hate to those who dare  
They break the frontiers and they come  
Now dust of melting bones  
Mixed with the Sandy land  
Broken faces behind the idol  
Self sacrifice believers once (betrayed)  
Those who disregarded (authorities)  
In deadly position they offend
