God bless-God bless-God help-God stead  
Your dread-Your dead-  
Who died in the name of  
Revenge-revenge-avenge-  
Vengeance scream loud-your dead-  
Who burn young and died off  
God bless-God bless-God help-God stead  
Your dread-Your dead-  
Who crawl in the name of...  
Revenge-revenge-avenge-  
Vengeance scream loud-your dead-  
Who rise in the nightfall  
And under your cruel eye outworn  
Are wondering why they died for!

God bless-God bless-God help-God stead  
Your dread-Your deads-  
Who trail and kneel your law  
Revenge-revenge-avenge-  
Vengeance scream loud-your dead-  
That enemies sword accept with awe  
God bless-God bless-God help-God stead  
Your dread-Your deads-  
Who blinded from your crown  
Revenge-revenge-avenge-  
Vengeance scream loud-your dead-  
Who their hopes built up with straw  
And under the threat of a hellborn are  
Wondering why they died for!

### CHORUS

Is this the holy thing to see and die  
Is this what forbid my heart's delight  
Then a dubious being and weak am I  
Without caring if I live or f I die

Mortals face your holy dream tonight  
The sky, the earth, the sea belongs to thee...

God bless-God bless-God help-God stead  
Your dread-Your dead-  
Who blinded from your crown

Revenge-revenge-avenge-  
Vengeance scream loud-your dead-  
Who rise in the nightfall  
And under your cruel eye outworn  
Are wondering why they died for!
