Live your hand now, song is gone
And all will be his hope for song
Pray the hand to feel foreign
The water falling and weather change
Plus it figure all set me strong
Gone to higher shape.
All the noises we was too kind,
I have seen them fade.

Maybe Iâ'm afraid
To see
Maybe Iâ'm afraid
Iâ'm going free

The darkest shadows, deep... weak
A call to the heavenâ's
To find my peace
Raising hunger hard in the night
If love and wonder,
Miss something nice,
So... then left their hands
I have seen them for
Only fathers I long too ease,
I can hear them before

Maybe Iâ'm afraid
To see
Maybe Iâ'm afraid
Iâ'm going free

Lift your hand now the song is gone,
Have you... breathe
Oh it will be the... song
Maybe Iâ'm afraid
To see
Maybe Iâ'm afraid
... Iâ'm falling and weather change
... figures, all set me strong
Go to hard...
Hold the mountains before too...
I have seen them fade

Over, over
Ohh
