[Music : Wunderlich, Doernberg / Lyrics : Doernberg]

No guts - no glory - no clouds - no rain  
No reason - no season - no pain - no gain  
No quality - insanity - reality - humanity  
No dice - no roll - no spark - no fire  
No cards - no aces - no truth - no liar  
No "a-little-bit-of-this" - no "a-little-bit-of-that"  
No "you cannot lose what you never had" !

No gun - no shot - no sooner - no later  
No she - no "he-man-woman-hater"  
No fast careers - no volunteers  
No widows black - no fallen tears.  
No healing hands of time - no rhyme  
No crime will turn your wine into slime.  
Mine all mine - no ego - no brain  
No "hold-the-line" in vain !

The opposite of yes can be the key to a better life.  
A word can sometimes cut way deeper than the  
sharpest knife !

No more talking - This means "no" in your face !  
Take my no now and shove it - it's a no-way-out-race.  
Death's a dancer !  
No more walking 'cause there's nowhere left to go  
And there will be no more "rise-above-it's"  
'cause the answer is : No !!!!!

No war - no peace - no rules - no riot  
No heart - no heartache - no fat - no diet  
No fantasy - no plan to see  
No "what about me ?" - no "used to be !"  
To agree or not to agree - that's the question.  
Excuse me, sir, may I have a suggestion ?  
Please freeze the grease in the C&E's hair  
- he's overpayed and never playing fair !!!!!

The opposite of yes.....

The hardest word in the world today  
Has got only two letters but ain't easy to say.  
Those who dare to always rule the show.  
What I'm talking about here is : No !!!!!!!  
No more talking .....
