This is the end of love  
Is this the end?  
This is the end

A little boy stands by the waterfall  
He wants it all  
He's tremblin' in his rage  
And life soon turns the page

The little boy's now growing older fast  
And even though his aims don't last  
He's on the run - another one  
Like all the rest

What are we fightin' for  
Why do we still want more?  
Another lie another battle cry  
As time goes by

This is the end of love  
This is the end of hope  
This is the end and this is the time  
And maybe it's just a simple rhyme

This is the end of life  
And this is the end of the fight  
There's so much we never should understand  
And this is the end

The little boy's now gray to pass away  
Waitin' for his judgment day  
Come what may  
When dreams decay

And here I stand  
And watch the waters flow  
And still I don't know  
Where do we go from here?
