Growing up on cinnamon street. everywhere you look  
there are lots of people to meet, it's seven o'clock, the  
breakfast treat. now the schoolbus is here, hurry up  
and grab a seat. all the dreams  
Iny ones, another week has just begun on cinnamon  
street.

There was a girl on cinnamon street, the same age as  
me, we shared the curiosity. I won her heart cos I could  
play guitar. I promised her heaven at once and later all  
the stars. but it all remai  
He same cos things can never change on cinnamon  
street.

I can hear my heartbeat the very first time we made  
love, life was a lazy rest in the sun. later we went  
dancing, staying up all night long - playing all our  
favourite songs, cinnamon songs: oh  
Na na na na.

I say goodbye to cinnamon street. springtime is here  
and the air is so dry and sweet. I walk in a cloud, the  
smell of cinnamon bread, it's in my blood since the day  
I was born 'til I wake up...  
And the sun is smiling gently, a funny shade of red,  
cinnamon street.

I still feel my heartbeat the very first time we made  
love, life was a lazy day in the sun. later we went  
dancing, hanging out all night long - singing all our  
favourite songs, cinnamon songs: o  
Na na na na na na.
