Living here without you is not an easy way of life. I

spend my time without you, I try to

Make it all worthwhile. Standing in a rainfall coming  
down from the sky.

Why should I cry over you? Why should I cry cry cry  
over you?

I keep on thinking about you. I've got no private pride to  
hide. I've built my world around

You like a call without reply. My love has lost direction,  
she's got the sun in her eyes.

Why should I cry...

Hearing your footsteps, loud on my stairs (a-walking...)-

-living without you. Feeling the

Sweet sweet smell of love in the air (I can feel it...)--

living without you. Kissing the face

That I see everywhere but I'm living without you, living  
without.

Why should I cry cry cry over you?

Oh, hearing your footsteps, loud on my stairs (a-

walking...)--living without you. Kissing

The face that I see everywhere but

I'm living without you, I'm living without.

Cry cry cry over you? Why should I cry...
