In a time where the sun descends alone
I ran a long, long way from home
To find a heart that's made of stone
I will try, I just need a little time
To get your face right out of my mind
To see the world through different eyes

Every time I see you oh I try to hide away
But when we meet it seems I can't let go
Every time you leave the room
I feel I'm fading like a flower

Tell me why, when I scream there's no reply
When I reach out there's nothing to find
When I sleep I break down and cry, cry yeah

Every time I see you oh I try to hide away
But when we meet it seems I can't let go
Every time you leave the room
I feel I'm fading like a flower

Fading like a rose, fading like rose
Beaten by the storm
Talking to myself, getting washed by the rain
It's such a cold, cold town

Oh, it's such a cold town

Every time I see you oh I try to hide away
But when we meet it seems I can't let go
Every time you leave the room
I feel I'm fading like a flower

Every time I see you oh I try to hide away
But when we meet it seems I can't let go
Every time you leave the room
I feel I'm fading like a flower
