I once knew a girl  
I can't remember her name  
But I remember her face  
Cos her sister looked the same

They both left school  
But they couldn't find a job  
So they said farewell  
And stole a small town car

As they were riding  
By the beach some  
Summer night  
The Radio shouted out  
One of those songs  
That might just  
Change your life  
- It went like this:

Checkin' in checkin' outMakin' love I like watchin'  
allYour fireworksI like it when I light those starsIn your  
eyesJust like fireworks in the sky

- Yes I did

Throwing some poems  
To the ports and docks  
They were sleeping outdoors  
Pushing all their luck

They sent me a letter  
Full of pills and thrills  
Then they both got rich  
And moved to Hollywood hills

Yeah they made lots of money  
Playing folk guitar  
Cos everywhere  
The boys went crazy  
Just to hear these words of art:

Checkin' in checkin' outtake it to the sky  
Makin' love I like watchin' all  
Your fireworks I like it when I light those  
stars In your eyes Just like fireworks in the sky  
Fireworks in the sky

They're coming to get you  
They're coming to get you now  
Coming to get you now

Watch the sky!
