"Go To Sleep"

There's a shadow on the terrace / A snow dance for the living / There's heavy weather on the way / I heard it on the news. And life's a tough principal who won't reward the losers / Your name is on the tea-cup / There's nothing I can do. But to wish you'd think about me before you go to sleep / And I wish you the best there is before you go to sleep. There are tears without the colour / A million seas with water / An ocean full of people where shattered hearts can go. And love's a golden ripple where answers are so simple / But the explanations are very hard to do. And I wish you'd think about me before you go to sleep / And I wish you the best there is before you go to sleep / Go to sleep.
