Like a whisper in meEva Dahlgren
I feel your warm winds coming throughEva
I want you Eva
I want youEva

Empty street all look the sameEva
Take me home blue morning rainEva (Marie)
I want youEva (Marie)

Calling pictures in my mindMarie Fredriksson
When I wanna be wid youMarie
On this long distance lineMarie
How I wish that you would sayMarie
I want youMarie

Remember what you told mePer Gessle
We'll always wind up all alonePer
Together Per
As long as rivers will runPer
As long as I can see the sunPer
I want youPer

Moving pictures in my mindRatata (Anders Glenmark ?)
When I wanna be wid youRatata
And on this long distance lineRatata
How I wish that you would sayRatata
I want youRatata

When your nights are lonelyPer
Know you're not the onlyEva
Waiting for another dayMarie
How I wish that you would sayRatata
How I wish that you would sayRatata
I want youRatata

For all the love in your eyesPer
For all the love that's in your mindPer
I want youPer

For all the love in your eyesEva
For all the love that's in your mindEva

I want youEva

For all the love in your eyesRatata
For all the love that's in your mindRatata
I want you I want you babyRatata

For all the love in your eyesMarie
For all the love that's in your mindMarie
I want you baby babyMarie

For all the love in your eyesAll
For all the love that's in your mindAll
I want youAll

For all the love in your eyesAll
For all the love that's in your mindAll
I want youAll

When the nights are lonelyRatata
Know you're not the onlyEva
OneEva
You're not the only Marie (Per)

Topklass!Marie
Topklass ??.(silly voice)Per (Marie laughing)
YaaaaaaMarie (laughs)
OkEva

Like a whisper in me
I feel the warm winds coming through
I want you
I want you

Empty streets all look the same
Oh take me home blue morning rain
I want you

Calling pictures in my mind
When I wanna be wid you
And on this long distance line

How I wish that you would say
I want you

Ratata
OoohhhEva
All right
Chapow

Remember what you told me
We always wind up all alone
Together
For ever
As long as rivers will run
As long as I can see the sun
I want you

Moving pictures in my mind
When I wanna be wid you
And on this long distance line
How I wish that you would say
I want you

When your nights are lonely
Know you're not the only
Just waiting for another day
How I wish that you would say
How I wish that you would say
I want you

Laughing (Marie)

For all the love in your eyes
For all the love that's in your mind
I want you
I want you

For all the love in your eyes
For all the love that's in your mind
I want you
