A man decides after seventy years
That what he's looking for
Is to unlock the door
While those around him criticize and sleep
And through a fracture on that breaking wall
I see you my friend and touch your face again
Miracles will happen as we trip

But we're never gonna survive unless
We are a little crazy
No we're never gonna survive unless
We get a little
Crazy

Yellow people walking through my head
One of them's got a gun to shoot the other one
And yet together they were friends in school
Get it
If all were there when we first took the pill
Then maybe maybe maybe
Miracles will happen as we speak

Noooo we're never gonna survive unless
We are a little crazy
No we're never gonna survive unless
We are a little
Crazy

Oh no never survive unless we are a little little no no no
ohhh
Crazy crazy crazy crazy crazy crazy crazy crazy
In a world full of people only some want to fly
Isn't that crazy
In a world full of people only some want to fly
Isn't that crazy
In a world full of people only some want to fly
Isn't that crazy
In a world full of people only some want to fly
Isn't that crazy

We're never gonna survive unless unless

No we're never gonna survive unless unless
We're never gonna survive unless
We are a little
Crazy yeah
We're never gonna survive unless
We are a little
Crazy
