"Oh My"

I heard you say the sorry words
Then I hear her dish the dirt you made, you made
Twice as nice you were to me
Half the man you used to be today, today
I can forgive, oh yes
But I can't forget the rest

Oh my, I close my eyes and see the picture
Oh my, oh my
Oh my, I close my eyes and see the picture
Oh my, oh my

Unspoken words lay on my lips
While you were out chasing the kiss of her, of her
Was I not enough for you
Or maybe you just want it too
It burns, it burns
Think back to all you said
With you and her in my head

Oh my, I close my eyes and see the picture
Oh my, oh my
Oh my, I close my eyes and see the picture
Oh my, oh my

Synthetic dreams rushing the tears
Are picture in my mind
I'm cold and you want my love on dessert
I saw you for you in time
But now I know the picture

Oh my, I close my eyes and see the picture
Yes, I see your picture
Oh my, I close my eyes and see the picture
Oh my, oh my
Oh my, I close my eyes and see the picture
Oh my, oh my

Oh my, I close my eyes and see the picture
Oh my, oh my
I close my eyes and see the picture

I do, I do, I do
I close my eyes and see the picture
I do, I do, I do
I close my eyes and see the picture
I do, I do, I do
