

Backyardigans, The "I'm A Mountie"

Visit "[I'm A Mountie](#)" on MotoLyrics.com

I'm a Mountie and I'm marching through the snow
I'm a Mountie to the Yukon I must go
I'm a Mountie, a perfection, if something needs
protection
Then there's no protector you could know

Mountie on duty, Mountie on duty
I'm a Mountie and I'm marching through the snow

We are Mounties and we're marching through the snow
We are Mounties to the Yukon we must go
We are Mounties and we're good sports and we like
defending snow forts
We are Mounties and we're marching through the snow

Yes, we are Mounties in our Mountie matching suits
You can tell us by our Mountie salutes
[Incomprehensible] for a Mountie there's no stopping
We are Mounties marching in our Mountie boots
