Somewhere I've never traveled
That's where I've been today
Somewhere beyond all reason
But it became the only way

I could find it
Something inside of me
I can find it

Someplace I've always dreamed of
That's what I finally see
And when I'm there I feel love
So there I always want to be

I believe it
Believe in myself
I have seen it

And there's a day when you'll wake
With the sun in your eyes
Hearing a voice that is calling
Within you to rise

Rise

Someday I'll be there
Though I know not
Where I go
There I'll be
When I go

Somewhere I'd never traveled
That's where it all began
And as my dreams unravel
I long to go that way again

I am waiting
Waiting to take you there
No more waiting

Off you go
