(Sunrise)  
There's a new sun arisin'  
(In your eyes)  
I can see a new horizon  
(Realize)  
That will keep me realizin'  
You're the biggest part of me

(Stay the night)  
Need your lovin' here beside me  
(Shine the light)  
Need you close enough to guide me  
(For all my life)  
I've been hopin' you would find me  
You're the biggest part of me

Well, make a wish, baby  
Well, and I will make it come true  
Make a list, baby  
Of the things I'll do for you

Ain't no risk, now  
In lettin' my love rain down on you  
So we could wash away the past  
So that we may start a new

(Rainbow)  
Risin' over my shoulder  
(Love flows)  
Gettin' better as we're older  
(All I know)  
All I want to do is hold her  
She's the life that breathes in me

(Forever)  
Got a feelin' that forever  
(Together)  
We are gonna stay together  
(For better)  
For me, there's nothin' better  
You're biggest part of me

Well, make a wish, baby  
Well, and I will make it come true  
Make a list, baby  
Of the things I'll do for you

Ain't no risk, now  
In lettin' my love rain down on you  
So we could wash away the past  
So that we may start anew

More than an easy feelin'  
She brings joy to me  
How can I tell you  
What it means to me?

Flow like a lazy river  
For an eternity  
I've finally found someone  
Who believes in me

And I'll never leave  
Oh, not to doubt now  
Make life grand

Well, make a wish, baby  
Well, and I will make it come true  
Make a list, baby  
Of the things I'll do for you

Ain't no risk, now  
In lettin' my love rain down on you  
So we could wash away the past  
So that we may start a new

(Beside me)  
Need your lovin' here beside me  
(To guide me)  
Keep it close enough to guide me  
(Inside of me)  
From the fears that are inside of me  
You're the biggest part of me

(Forever)  
Got a feelin' that forever  
(Together)  
We are gonna stay together  
(Forever)  
From now until forever  
You're the biggest part of me  
You're the life that breathes in me  
You're the biggest part of me

You changed my life  
You made it right  
And I'll be a servant to you  
For the rest of my life  
You're the biggest part of me
