(Puerta-Pack)

Heart to heart

Soul to soul

Feeling lost

Everywhere I go

Love to love

Or hold to hold

Choose your cost

Be it pain or Be it gold

Ain't there nothin' In this world You can count on?

Ain't there nothin' In this world to believe?

Save a gypsy's song When she's singin'

With a violin sweet?

Heart to heart

Soul to soul

Feeling lost

Everywhere I go

If only, my love,

You would try, love,

You could reach me

Long enough to teach me

All in time, love,

Will we find love

But it taunts me

You don't seem to want me

Why does your love haunt me

Everywhere I go?

Heart to heart

Soul to soul

Feeling lost

Everywhere I go,

Everywhere I go
