(Pack)

I don't know how this whole business started  
Of you thinkin' that I had been untrue  
But if you think that we'd be better parted  
It's gonna hurt me but I'll break away from you  
Well, just give me the sign and I will be gone, yeahh  
That's how much I feel  
Feel for you, baby  
How much I need I need your touch  
How much I live I live for your loving  
That's how much, that's how much  
That's how much, that's how much  
I sleep alone, and late at night I'm dreamin'  
Of the togetherness that seems to be leavin' me  
I'd give it all and then I'd give some more  
If you would only love me like you had before  
Take hold of my hand and all will be forgiven  
That's how much I feel  
Feel for you, baby  
How much I need I need your touch  
How much I live I live for your loving

Well that's how much, that's how much  
That's how much, that's how much  
So you try  
Try to stay in the middle  
And then you cry  
Well you cry just a little  
Then you both realize  
Just how foolish you've been  
And you try to make amends  
But you're better off as friends  
'Cause that's how much, that's how much  
That's how much, that's how much  
How's your life been goin' on  
I've got a wife now  
Years we've been goin' strong  
There's just something that I've got to say  
Sometimes when we make love  
I still can see your face  
Just try to recall  
When we were as one

That's how much I feel  
Feel for you, baby  
How much I need  
I need your touch  
How much I live  
I live for your loving  
That's how much
