(Puerta - Pack)

I've heard them say the war is over  
But here am I, out flyin' again  
Who knows if I'm wrong or right  
But when time has ended this flight,  
This koan of life will be at an end  
When you're a kamikaze  
Fly more from inspiration than for joy  
Though they think I'm crazy,  
I'm really just an ordinary boy  
I've heard them say that life is easy  
Then why am I at zero again?  
I drink from the sake cup  
I leave when the rising sun's up,  
And take my fate and fear to the skies

When you're a kamikaze  
Fly more from inspiration than for joy  
Think I'm crazy,  
May be just an ordinary boy  
've heard them say the war is over  
But here am I, out flyin' again  
Who knows if I'm wrong or right  
But when time has ended this flight,  
This koan of life will be at an end  
When you're a kamikaze  
Fly more from inspiration than for joy  
Think I'm crazy  
Kamikaze I'm a kamikaze  
Yes, I'm a kamikaze Oh A kamikaze
