Hey you, yeah you  
You think you're special  
Hey now, I don't know  
Maybe it's true.  
What's that, you say  
You think you want me  
Is it gonna be the same thing again  
I don't want to show you how I win

\*Chorus\*

Maybe, I'll take a chance  
Baby, give me a romance  
Never, take the time of day  
To break my heart in any way  
I'll stay by your side  
As long as you treat me right

Baby take your time  
To tell me how you feel  
Don't tell me that you love me  
Until it's for real  
Oh I'm not trying  
To tell you who to be  
I'm just wanting  
Love not to hurt me

Chorus

Here I go again  
I'm trusting you now  
Please don't let me  
Take a tumble and go down  
Yeah I maybe  
Stronger than I might look  
But I still feel  
The heart that you now took

Chorus

Just as long  
As I feel I can trust

The person that you are
