(ferry)

You - the hero  
So many times  
You've loved  
And didn't linger  
Now my finger  
Points at you  
- another loser  
You - an island  
On your own  
Complete  
In every detail  
Monumental  
A precious jewel  
Or just a fool  
Innovator  
It's in your mind  
And blood  
I watch it simmer  
I see you're courting  
More despair  
No hope?  
Not a glimmer  
Now you're nothing  
But second hand  
In glove  
With second rate  
Now you're flirting  
With heroin  
- or is it cocaine?  
Casanova -  
Is that your name  
Or do you live there?  
I know my place  
Is here with you  
Tonight  
But not together
