Well I?m a cheat
I?m a liar, I?m a creep
So don?t touch me
Yes I?m not weak
I?m surprising I?m so inviting
And I?m interesting
Don?t you want to know me?

Every body wants to fuck Fuck
Everybody wants to scream
Everybody wants to Fuck Fuck Up
Everybody wants to scream

Well I left my band and I perpetrate
Dominate you and I?ll kill you wet too
No one knows me and I think that?s good
Well don?t touch me
I know were sick too.

Every body wants to fuck Fuck
Everybody wants to scream
Everybody wants to Fuck Fuck Up
Everybody wants to scream

And I know I never been in love well here we go
Well this is so messed up
And I know I?ve never been in love
Here we go why
This is so messed up

I?m not scared yeah
Well everyone?s around
And all of the people yeah
They?re staring me down
And I?m gonna create another wall
But I?m still standing
Yeah I?m standing tall

Every body wants to fuck Fuck
Everybody wants to scream
Everybody wants to Fuck Fuck Up

Everybody wants to scream

And I know I never been in love well here we go

Why is this so messed up?

Why is this so messed up?

Every body wants to fuck Fuck

Everybody wants to scream

Everybody wants to Fuck Fuck Up

Everybody wants to scream
