Some expressions in your eyes  
Always took me by surprise  
Where was I, how was I to know?  
Oh, oh, oh

How can we drive to a movie show  
When the music is here in my car

There's a band playing on the radio  
With a rhythm of rhyming guitars  
They're playing for you on the radio  
Oh, oh, oh

And so it came to be our song  
And so on through, all summer long  
Day and night drifting into love  
Oh, oh, oh

Driving you home from a movie show  
So we tune to the sound in my car

There's a band playing on the radio  
With a rhythm of rhyming guitars  
They're playing for you on the radio  
Oh, oh, oh

It's some time since we said goodbye  
And now we lead our separate lives  
But where am I, where can I go?  
Oh, oh, oh

Driving alone to a movie show  
So I turn to the sounds in my car

There's a band playing on the radio  
With a rhythm of rhyming guitars  
There's a band playing on the radio  
And it's drowning the sound of my tears

They're playing for you on the radio  
Oh, oh, oh  
Oh, oh, oh

Oh, oh, oh
