You better take what's left  
'Cos I'm feeling rough  
In dread of night getting high

And the name on the dress  
Stretch far too long  
But pleases the mind and that's nice

Rain rain rain, rain rain rain  
Rain rain rain, getting high

She put her head on the line  
When she come on strong  
A single girl about town

And she stand or fall  
By the way she moves  
Ahead of her time she can't lose

You got rain rain rain, rain rain rain  
Rain rain rain, getting high  
Rain rain rain, rain rain rain  
Rain rain rain, getting high

You got trouble in mind  
Get's deep 'n' worse  
Oh please, don't stop getting high

You got lust for life  
It don't seem to die  
Gonna last forever getting high

Rain rain rain, rain rain rain  
Rain rain rain, getting high  
Rain rain rain, rain rain rain  
Rain rain rain, getting high

You believe in love
