"Sign Of The Times"

Here is a rainbow for your hair
Here is another sign of the times
We live, we die, we laugh we cry
We know not why

Lipstick 'n leather, wear 'n tear
Of another sign of the times
We're chained and bound, hard lines, crack down
On stony ground

Here is a taste of here and now
Red is the bloody sign of the times
The bride stripped bare of all despair
We're cut but we don't care

Here is a rainbow for your hair
Here is a sign of the times

Light up in anger, I'll be there
Fight for a sign of the times
We live, we die, we laugh and we cry
We know not why

Bent on a life between the lines
End on a sign of the times
