"Blue Eyed Darling"

The days have passed by so slowly
Since you've gone and left me blue
If ever you decide to roam dear
Remember I'm waiting just for you

Won't you be my blue eyed darlin
Won't you come back home to me
Don't tell me that you've found another
Darling please don't set me free

At night as I lay down to sleep dear
The tears are flowing down my cheeks
Because you left me such a memory
And now I'm all alone you see

Someday you'll come and I'll be gone dear
Somewhere to start my life anew
But if you never do return dear
Remember I've waited just for you
