Here she comes look at her roll there she goes eatin'  
that coal

Watch her fly huggin' the rails let her by by by it's the  
fireball mail

[ mandolin ]

Let her go look at her steam hear her blow whistle and  
scream

Like a hound waggin' his tail Dallas bound bound boud  
it's the fireball mail

[ dobro ]

Engineer makin' up time tracks are clear look at her  
climb

See that freight clearin' the rail bet she's late late late  
it's the fireball mail

[ mandolin ]

Watch her swerve look at her sway get that curve out of  
the way

Watch her fly look at her sail let her by by by it's the  
fireball mail

Here she comes look at her roll there she goes eatin'  
that coal

Watch her fly huggin' the rails let her by by by the  
fireball mail
