Everybody's going out and having fun
I'm just a fool for staying home and having none
I can't get over how she set, set me free, oh lonesome
me

A bad mistake I'm making by just hanging 'round
I know that I should have some fun and paint the town
A lovesick fool is blind and just can't see, oh lonesome
me

I'll bet she's not like me, she's out and fancy free
Flirtin' with the boys with all her charms
But I still love her so and brother don't you know
I'd welcome her right back here in my arms

There must be some way I can lose these lonesome
blues
Forget about the past and find somebody new
I've thought of everything from A to Z, oh lonesome me

I'll bet she's not like me, she's out and fancy free
Flirtin' with the boys with all her charms
But I still love her so and brother don't you know
I'd welcome her right back here in my arms

Oh lonesome me, oh lonesome me
