This World Can't Stand Long  
ROY ACUFF

A long time this world has stood  
It gets more wicked every day  
The maker who created it  
Will never let it stand this way

This world can't stand long  
Be ready and don't be late  
We should know this world can't stand  
For it's too full of hate

This world was destroyed before  
Because it was so full of sin  
And for that very reason now  
It's gotta be destroyed again

This world can't stand long  
Be ready and don't be late  
We should know this world can't stand  
For it's too full of hate

Everyone knows this world can't stand  
For in the Bible it's plain to see  
Fire and brimstone shall rain down  
And carry us to eternity

This world can't stand long  
Be ready and don't be late  
We should know this world can't stand  
For it's too full of hate

Let's all give our hearts to God  
And let Him lead us by the hand  
If we will only trust in Him  
He'll lead us beyond the burning sand

This world can't stand long  
Be ready and don't be late  
We should know this world can't stand

For it's too full of hate
