There's no business like show business  
Like no business I know.  
Everything about it is appealing;  
Everything the traffic will allow.  
Nowhere could you get that happy feeling  
When you are stealing that extra bow.

There's no people like show people.  
They smile when they are low.  
Even with a turkey that you know will fold,  
You may be stranded out in the cold.  
Still you wouldn't trade it for a sack of gold.

Let's go on with the show  
Let's go on with the show!
