was drunk  
I was loud  
I was invincible  
and I was proud  
Yeah I was drunk  
and I was loud  
I was invincible  
and I was proud

After 10,000 beers and 28 years  
finally figured it out  
It's about time  
I settle on down

Well I'm not saying this is the end  
and I still go get drunk with my friends  
and I might risk my life for moment in time  
No I aint had my last sip  
and I'll tare up that desert with you  
and I know we'll have more than a few  
Well it got me this far with plenty of scars  
The only one with those tatoos

After 10,000 beers and 28 years  
I finally figured it out  
It's about time  
I settle on down

Well I was drunk  
and I was loud  
I was invincible  
and i was proud  
and I'll never change  
I'll stay the same  
I'll live my life  
My own damn way  
yeahhhhhh

After 10,000 beers and 28 years  
Finally figured it out  
There's penty of time

just to settle on down  
yeahhhhhh

I was drunk  
and I was loud  
I was invincible  
and I was proud  
Yeah I was drunk  
and I was loud  
I was invincible  
and I was proud  
After 10,000 beers and 28 years  
I finally figured it out

There's plenty of time  
just to settle on down  
Yeah there's plenty of time  
just to settle on down  
There's plenty of time (time to)  
better settle on down  
Yeah settle on down
