You don't know me,  
No you don't know a thing about my love  
Or life in between i'm screaming through your door  
Leave me tonight

How could you mean that she said  
Oh i turn my back, my eyes full red  
I don't believe that she said  
You're out of your mind

I don't know why  
All i need is someone to save me  
I believe  
I don't know why  
All i need is someone to save me  
I believe  
And I don't know why

You turn on me  
And left me alone with my fate  
Oh I know id leave myself inside  
I can't stop that fight

How could you mean that she said  
Oh i turn my back, my eyes full red  
I don't believe that she said  
You're out of your mind, YEAH!

I don't know why  
All i need is someone to save me  
I believe  
I don't know why  
All i need is someone to save me  
I believe, aaahhh!

What about those times  
You left me alone in the bed  
Well I didn't mean it  
All of those nights  
You swore that you'd call when you didn't  
Well I didn't mean it  
All of those times

You tore me down and said  
Well I didn't mean it  
Well what about the times  
You told you wish you were dead  
I did mean it

Why  
All i need is someone to save me  
I believe  
I don't know why  
All i need is someone to save me  
I believe  
And I don't know why, WHY?!  
I don't know why  
WHY?!
