Besame Mija

(Baille Para Qui)

Baille para qui

Let the rhythm spark desire

Smile slyly as you move

Besame Mija You're my fire

So come on dance with me

Try the sparkle in your eyes

swirling through the smoke

and booze

Come on lover won't ya try

Let yourself sway, let yourself shine

Let's play a game

pretend you're not mine

So Baille para qui

let the rhythm spark desire

Smile shyly as you move

Besame Mija you're my fire
