Somewhere beyond the sea  
somewhere waiting for me  
my lover stands on golden sands  
and watches the ships  
that go sailing in.

Somewhere beyond the sea  
she's there watching for me  
if I could fly like birds on high  
then straight to her arms i'd go sailing in.

It's far beyond the stars  
It's near beyond the moon

I know beyond the doubt  
my heart will take me there  
soon, we'll meet beyond the shore  
we'll kiss just as before

Happy we'll be beyond the sea  
oh and never again  
i'll go sailing in.  
{MUSIC BREAK}

I know, beyond the doubt  
my heart will take me there soon  
we'll meet just beyond the shore  
we'll kiss just as before.

Oh! Happy we'll be beyond the sea  
and never again  
I'll go sailing in!

Together we'll be  
Just you and me  
beyond the sea
