(Mando Dorame/Eddie Nichols)

Arranged by Eddie Nichols and Mando Dorame

Mugzy's in the mood for losing cat  
He's gonna beat it downtown to where it's at  
Hocks his axe for some cash and a mess of blues  
When sickness drowns his fear  
The line becomes unclear  
Well, just one more black day

How great is his need  
A flowering bad seed  
Well he's dying from his thirst cut off from all ties  
Then he'll realize

He's gonna drown  
In that hat full of rain  
With a heart full of pain

And how can you live with a hat full of rain?  
And a soul full of pain

How great is his need  
A flowering bad seed  
Well he's dying from his thirst  
Cut off from all ties  
Then he'll realize  
He's gonna drown  
In that hat full of rain  
With a heart full of pain  
And how can you live with a hat full of rain?  
And a soul full of pain
